

Are you a Network Technician Who Wants More Challenges?

Are you a desktop guru with hands-on network administrator experience? Are you looking for an opportunity to work with cutting edge products? Then this is the job that will change your career!

NETiMAGE is a computer network support company and managed service provider and we provide a fast-paced, "no-two-days-are-alike" environment to work in. You'll be working with a team of network engineers that are some of the best in the business and you'll be given lots of opportunity to learn and grow. You'll be providing a combination of onsite and remote technical support to our corporate customers in CT/NY. If you enjoy working with people almost as much as you love working with networks, then you just may be a perfect fit for our team!

Job Requirements:

- 2+ Years of experience supporting Windows XP/2000 desktops (Vista a plus) in a networked environment.
- Windows Server 2003 administration experience setting up users and creating folders/shares.
- Experience with switches, wireless LANs, and broadband routers.
- Experience setting up and supporting mobile email device such as BlackBerry and Windows Mobile devices.
- Troubleshooting network peripherals such as printers and multi-function devices.
- Experience supporting MS Office, email clients, and anti-virus software.
- Ability to work with clients to troubleshoot issues. Must use good customer service skills throughout problem solving process.
- Microsoft and A+ certifications helpful.

Learning Opportunities Include:

- Working with the latest technologies offered by Cisco, Microsoft, and IBM.
- Configuring Cisco switches, routers, firewalls, VPNs, Wireless LANs, and VoIP devices.
- Troubleshooting network and connectivity issues.
- Building IBM and HP servers and configuring them with Windows 2003/2008 Server and Exchange 2003/2007 Server.
- Server/desktop Virtualization.
- Product evaluation and testing.
- Staying on top of the latest technologies and keeping your certifications current.

Our Benefits Package Includes:

- Competitive Salary with Bonus Plan
- Paid Vacation and Holidays
- Medical Insurance
- Dental Insurance
- Life Insurance
- Long-Term Disability Insurance
- 401K Plan
- Section 125 Plan
- Use of Notebook and Smartphone
- Training and Learning Opportunities
- Expense Reimbursement
- Attractive corporate environment with nice amenities
